1 What's your favorite color?

White:

I love the color white because it's so clean and pure. When I wear white, I feel very peaceful at heart. But I have to pay attention because it gets dirty so easily. I think a white Tee Shirt and blue jeans are the best combination.

Black:

I think black is very mysterious and sophisticated. For a girl, it looks very sexy. And when you wear black you look thinner, because the color is very slimming

Blue:

It's the color of the sea and the sky. It's also the color of jeans. So I guess in a sense, it's a young and free color.

Red:

Red is the hottest and most enthusiastic color you can ever imagine.

And it's the color of China.

Green:

The color green reminds me of the nature and the environment.

It's the color of Spring when all lives come back around us. So wearing this color, I feel very close to nature.

2 Do you like the same color now as you did when you were younger?

Same:

Well, yeah.

I'm a kind of person that likes something and doesn't change.

And I think the colors of black and white are the most classic. I'm a simple guy, so I like simple colors.

Changed:

I guess it changed. When I was young, I was childish, so I like bright
